

June 14, 2021

Dear members and friends of the Franklin United Methodist Church,

In many ways, things seem to be getting back to “normal.” While the pandemic continues, the light at the end of the tunnel seems to get noticeably brighter each day. In the Town of Franklin, the 14-day number of total COVID cases is in the single digits and has been for several weeks; the positivity rate is below 1%; and, the number of people who are fully vaccinated is increasing rapidly. On Tuesday (June 15), after 462 days, the state of emergency will be lifted in the Commonwealth of Massachusetts. With all of this in mind, the Church Council met, on June 13, to review our COVID protocols. Here are some of the major updates I need to share with you:

- **We’re back, fully in-person!** The Metrics for Safer Gatherings, adopted by the Council in March, will no longer be used to determine whether we meet in-person inside, in-person outside, or virtual only. *All activities in the church may resume meeting in-person and in a location most fitting the activity and group.* Many activities, including our worship together, will continue to meet in a hybrid model allowing for virtual and in-person participation.
- **Masks are not required during worship.** All persons who attend worship indoors will be asked to wear a mask over their mouth and nose upon entering, exiting, and while otherwise not seated for worship. *Worshippers may remove their mask once seated for worship.* Worship participants will be seated no less than six feet apart. There will be no congregational singing indoors. When worshipping outdoors, there will be no mask requirements and congregational singing will be encouraged.
- **Masks will not be required for adult small groups, but will be required for small groups including children that meet indoors.**
- **After worship fellowship will resume.** Refreshments will be served outside, weather permitting, after worship to encourage each of us to reconnect with one another.

Enclosed with this letter you will find the full resolution and rationale for our updated COVID protocols. All persons participating in the worship, life, and work of the church *and all outside facility users* are required to follow them. We intend to review these protocols again in the Fall.

If you have any questions about the updated protocols or you just want to chat, please do not hesitate to call, text, or email to setup a time for us to meet. *I look forward to seeing you in worship this Sunday at 10am!*

Peace.

Pastor Jacob
