

STORIES OF THE FAITH

A DISCUSSION SERIES OF FRANKLIN UNITED METHODIST CHURCH

The Christian tradition has, from the very beginning with its roots in Judaism, relied upon story to both share the faith *and* guide people in their faith.

Using a children's story bible, *The Beginner's Bible* (Zondervan, 2005), we will spend the summer reading stories of the faith. Use the chart below for your own study and devotions and join us in worship Sundays at 10am (in the sanctuary and via Google Meet) or streaming via YouTube.
