Dear Franklin United Methodist Church members and friends,

We are on a journey. Our church is entering another season of ministry and vision development. We believe that the Franklin United Methodist Church is being called to a new level of faith, service, and love as we embark on our Phase II Capital Campaign.

As in all-important issues, we must be well informed and fully aware. Therefore, you are invited and encouraged to attend one of our ***Informational Gatherings*** listed below. The purpose of these meetings is to provide information, awareness, and fellowship. It will also be a time to ask any questions you may have. **No important decisions will be called for, and no commitments will be made at this time.** At this informal occasion, you will learn more about the planned renovations, projected costs, and what is required for a successful result. With refreshments and fellowship, the entire meeting will last approximately 60 minutes.

Our Gatherings will help lead us to a time of celebration on **Commitment Weekend March 24**. Our prayer is that Franklin UMC will establish a standard of generous giving that will define our generation, better equip us for ministry now and into the future, and inspire future generations to commit their lives to Christ. These gatherings are critical to our success. We truly hope you will make plans to attend.
