DEVOTIONS

Read: Luke 17:11-19.

There is a difference between what one wants to do and what one needs to do. Jesus tells the healed lepers that they need to go to the priests to confirm their healing, and they do. However, only one leper is compelled by an inner desire to return to Jesus and offer thanks. Although all ten are healed, Jesus says to the Samaritan, the outsider who desires to give thanks, "your faith has made you well" (v. 19). These are the same words used by Jesus in other stories in Luke, including the woman at his anointing (7:50), the hemorrhaging woman (8:48), and the blind beggar (18:42). In Luke 7:50 the phrase is translated, "Your faith has saved you." The same Greek words can be translated as "saved you" or "made you well." Health and salvation belong together. A thankful heart belongs to both health and salvation. How is your health strengthened by a thankful heart? How is your faith strengthened by thanksgiving? By cheerfulness?

Pray: **God of glory, we thank you for your generosity that blesses us with health and salvation, through Christ our Lord. Amen.**

SERVICE

Giving with a thankful heart blesses both the giver and the receiver of one's generosity.

Practice generosity this week and think or talk about how it blesses you as well as those who are the recipients of your care.

RITUALS AND TRADITIONS

The first Thanksgiving was held in the early 1600's by Puritans and Pilgrims immigrating from England to America. President George Washington proclaimed the first nationwide celebration in November of 1789 "as a day of public thanksgiving and prayer, to be observed by acknowledging with grateful hearts the many and signal favors of Almighty God." Invite each person at your table to name something they are thankful for and then after each person has shared, conclude with: **Thanks be to God for the Lord's indescribable gifts! Amen.**
